

MAMMOTH LAKES

California's Premier Mountain Resort

December 12, 2008

Mr. Rick Phelps
High Sierra Energy Foundation
P.O. Box 3511
Mammoth Lakes, CA 93546

Dear Rick,

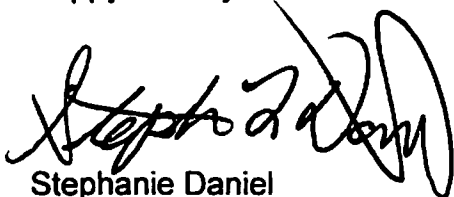

On behalf of the Town of Mammoth Lakes Tourism and Recreation Department, I would like to extend our gratitude for your participation in the Annual Holiday Tree Lighting Event.

Pairing the LED Light Exchange with the Tree Lighting is a perfect time to get the community involved in this worthy event. So please give a special THANKS to Leslie O'Berry, Pamela Stayden, Vicky Phelps, and Charlie Eddy. I heard that they exchanged more than 400 strands of LED lights this year!

I want to extend a special thanks to you for doing double duty as the Co-MC of our event. You and Cleland did a great job. I really thought you guys made a great team! As this is the third year you and Cleland have had MC duties, I can officially say that you guys have become part of our tradition!

Every year we look forward to the excitement that the Holiday Tree Lighting brings to the community. Without your support, the success of this event would not be possible.

Happy Holidays!!!

Stephanie Daniel
Recreation Supervisor
